And Requires

A Constitutional Remedy

## Hood's Sarsaparilla Permanently Cures Catarrh.

"C. I. Hood & Co., Lowell, Mass."

"I cannot speak too highly of the value of Hood's Sarsaparilla. I have been a sufferer from that dreadful disease, catarrh. For the past nine years my head and nasal passages have been clogged up, and in consequence I was

Unable to Breathe through my nose. My breath became very bad and offensive. Powder and medicines were useless and I was discouraged. I had read considerable about the good being done by Hood's Sarsaparilla and decided to give it a trial. I had not taken more than one bottle before I began to feel the benefit it was bestowing upon me. After taking two bottles my expectations were realized. I have continued and its

Effects Have Been Wonderful for I feel like a new man. I am now breathing through my nose with ease and have realized benefits from the medicine throughout my life.

I recommend Hood's Sarsaparilla to friends who are afflicted with catarrh and shall continue to praise it." A. H. Smith, 14 North Twelfth Street, St. Louis, Mo.
